DateTime::__construct() expects parameter 1 to be
Posted by holger_es - 2015/03/13 17:41

_____

Hello,

i have a problem with Joomla 3.4 when i save an item:

DateTime::__construct() expects parameter 1 to be string, array given

What can i do?

Thanks
Holger

_____

Which is the version of the Meeting Schedule that you use ?
Can you also give the source file name and line that generate this message.
